Lollapalooza 2015 – “The Big Apple”

The Big Apple—glorious New York City—is one of my world-favorite places! The diversity of people. The wonderful delicatessens. The hustle and bustle. The too-numerous-to-mention sites to see. The traffic jam at 2 a.m. in the morning. The rubbing of shoulders with SO many people. The pushing and the pulling at so many levels.

What an incredible slice of humanity! Where energy and effort touch. Add to this o-u-r spiritual energy and we’re sure to have a fabulous evening for L-o-l-l-a-p-a-l-o-o-z-a!

The skyline is like no other in the world. Kansas City’s silhouette and New York’s aren’t quite the same. I would say our uniqueness comes from the silhouette of our people – our warm and welcoming attitude. It certainly, for me, is the foundation for real community.

Another thing that makes a City inviting is the amenities. SO many people behind the scenes help bring the details together for this fun evening. My big-as-Central-Park thanks to all, especially Amy Specht, our Chair, and her incredible Team of Jodi Patrick, Beth Kelley and Teri Sabatino. No individual or individuals are an island, so Great Thanks also go to the faithful and ever talented Committee members who make this night so rewarding and memorable.

Thanks for your Generosity and Love shown tonight. You bless the Parish in this and so many additional ways!

Are we “NY City Slickers”? We are for tonight!

Shalom,

Father Jim

Pastor

THINGS YOU NEED TO KNOW

CHECK IN – All bidders must check in at the registration table to receive a bid number. Bids will not be accepted from persons without a registered bid number.

DESSERT AUCTION – Dessert trays will be on display and available for bidding at 5:30 pm; bidding will close at 7:45 pm. Dessert trays will be delivered to the winner’s table at 8:30 pm. There are a limited number of dessert trays available.

SILENT AUCTION – Bidding will begin at 5:30 pm. Write your bid number and amount of your bid on the “Bid Sheet” accompanying each item. All items have a minimum opening bid as noted on the Bid Sheet. Each bid increase must be for at least the amount indicated on the Bid Sheet. At the closing of each table, the winning bid number will be left at the table with the item. You may pick your items up after check out payment. In the case of gift certificates and smaller valuable items, you should pick up your items in the library after check out payment.

NEW THIS YEAR: 5TH AVENUE TABLES – These tables have the highest end items in the Silent Auction. The tables will be open from 5:30 pm to 8:30 pm. They will reopen for bidding after the Live Auction closes for 15 minutes ONLY.

LIVE AUCTION – The Live Auction will begin at 8:45 pm and will continue until all items have been successfully auctioned. The Live Auction items will be auctioned in the order in which they appear in the program. To enter a bid, the bidder must raise his/her hand or booklet high to attract the attention of the auctioneer and to be acknowledged. Each bid legally obligates the bidder to pay his/her price in full at the end of the evening if his/her bid is deemed the high bid at the fall of the auctioneer’s hammer. Items with multiple buyers must be split prior to checkout and will be rounded up to the nearest dollar. Be sure to indicate to data entry the bidding numbers and designated portion of the winning bid. This will help ensure efficient check out and accurate acknowledgements. The auction is fast paced; bids must be made quickly! All live auction packages are valid through March 31, 2016 unless otherwise specified.
PAYMENT – Cashiers will be available in the school computer room starting at 10:00 pm. Silent and Live Auction items may be paid for with cash, check or credit card (Visa or MC). Paying by check or cash reduces our costs, so please consider this option. All items must be paid in full by 11:00 pm and picked up by the close of the evening.

DEDUCTIBILITY – In accordance with the Internal Revenue Service and IRS regulations, a deduction for charitable contributions is limited to the excess of money contributed over the value of goods and services received. The estimated value of goods and services received is indicated by the fair market value on your receipt.

ROUND UP – At Check Out, you will be given the opportunity to “Round Up” your purchases. For example, if your total is $247.00, why not make it an even $250? Or round $267 up to $300! Every dollar counts!

LAST CHANCE SALE – Some items from the Silent Auction that do not sell during the allotted bid time may be available for sale on the Last Chance table. A price will be indicated on the item. This is not a bidding situation. You can pick up as many items as you choose and take them with you to Check Out. At Check Out your newly acquired bargains will be added to your total for the evening. The Last Chance table will be located as you exit the Community Center toward Check Out. Don’t miss this opportunity to snatch up some last minutes goodies!

EMPLOYER MATCHING – Don’t forget to check with your employer to see if they offer a matching fund program. Many companies will match your donations—we are a 501(c)(3) organization. If you need a receipt or a form completed to submit to your employer, contact: Mary Losik at mlosik@gsshawnee.org or 913-563-5311.

PLEASE NOTE – Consult the complete auction program for details regarding date restrictions and other limitations on each item’s conditions of use. If you win a bid and cannot abide by those restrictions, it will be the buyer’s responsibility to find a substitute or forfeit the award. All sales are final. No exchanges or refunds.
Lollapalooza 2015’s success is a direct result of the many hours dedicated by the committee chairs and the more than 100 volunteers who have worked many months, some even year-round. A BIG Lollapalooza “THANK YOU” goes to these individuals for sharing their time, talent and treasure to make this a great evening.

**BEER WALL**
There will be a number of brown paper bags containing beer donated by your fellow parishioners. They could contain one bottle or they could contain a 12 pack. They could contain lawnmower beer – or they could contain premium craft beer. If you don’t like what you get, you can trade it back in and get another bag. And, just because you trade it in doesn’t mean its bad beer. It could just mean that someone likes dark beer and got an IPA, or they prefer Stag to Boulevard Chocolate Ale. Either way – you win. You got beer! For your donation of $20 you get a souvenir beer glass and your choice of brown paper bags. Trade ins are only $10.

**WINE CORNER**
For $20, you will choose one of the beautifully hand decorated wine glasses created by your fellow Good Shepherd parishioners AND you will receive 3 rings to toss onto a bottle of wine. A successful toss will earn you that bottle of wine. Should you “miss toss” - you can try again - 3 tosses for $10. Either way you’ll walk away with a beautiful wine glass. You can’t lose! The limited number of wine bottles were donated by your wine enthusiasts at GS.

**LIVE AUCTION DRAWING**
Enter the raffle to win your choice of any Live Auction item before the Auction begins. 100 raffle tickets will be sold for $100 each. If your number is drawn, you may select the Live Auction item of your choice. It’s yours – Enjoy!

**SILENT AUCTION DRAWING**
Enter the raffle to win your choice of any Silent Auction item 10 minutes before the first Silent Auction tables close. 100 raffle tickets will be sold for $15 each. If your number is drawn, you select the Silent Auction item of your choice with one exception: Class projects are excluded from the Silent Auction Raffle. So Enter and Win!
Fund-A-Need

Fund-A-Need is an integral part of Lollapalooza! Through it we, as a community, come together and support what is important in our church and school. This year’s Fund-A-Need strongly recognizes the need to continue the basic upkeep of our facilities, provide much needed technological improvements for our students and provide additional resources for our students. Finally, and most importantly, we have a need to ensure that all children are able to continue to receive the phenomenal education that is offered by Good Shepherd.

Let’s begin with the basics. We have two water problems that need immediate attention in order to minimize further damage. First, our 16 year old baptismal font has moisture problems internally, a broken water heater and the cracks in the exterior finish. Second, perhaps some of you have seen the leaning fence at the detention pond off the west parking lot? The area needs to be shored up and the fence needs to be replaced and reset. We need to raise $10,000 for a partial offset to the cost.

Good Shepherd has always prided itself in being a “School of Excellence.” In order to continue to fly that banner high, we must continue to adapt with changing times, and to invest in technology. Whilst we may not be able to give everyone an iPad like public schools, we do have a need to provide an additional Computer Lab for our students. It will be equipped with 25 new computers in order to provide more online time for our students. Also included are funds to remodel existing space into an environment conducive to student learning and assist with conducting the Kansas online tests. In order to achieve this, we will need $30,000.

Good Shepherd School has a need for an additional part-time resource teacher for the coming year, as well as the necessary resource materials that are required to meet future academic needs. We will need $20,000 to achieve this goal.

Finally, we cannot forget those less fortunate than us. We grow in strength as a community by helping others, and one another. Our ability to give can make a world of difference to children that need it most. To that end, all funds raised above $60,000 will go to Guardian Angel Fund, which was created to assist families needing financial assistance with tuition costs. This fund is critical to ensuring all families can continue to send their children to Good Shepherd!

Finally, thank you for your continued support of Good Shepherd and our parish mission! Together, we can help meet the needs of the church and school. Please let your generosity reflect the very best in us.
