Oh how fun! Sand between our toes. Sun beating down on our skin. Libations with little umbrellas in our hands. Watching a glorious sunset. Sharing good times with good friends.

I’m ready to get away from some daily stress and enjoy a really great gathering! Some relief and rha-rha, together! Yes, it’s L-o-l-l-a-p-a-l-o-o-z-a time!!

It’s really more than a fun-d raiser. Community and camaraderie come together for an evening to celebrate our accomplishments as well as set the foundation for more accomplishments. Faith helps us envision in new ways and this creative relaxation helps us make many new and good things become real for Good Shepherd.

So many, many people create this amazing event! A special and giant Gracias goes to Dave Mertz, his incredible Team including Helen Drone, Beth Kelley, Dan Masker and Teri Sabatino and the many gracious, hardworking chairs who all make this night so rewarding and memorable. Truly it would be impossible without you!

To ALL of you…God Bless your generosity! God Bless your presence here tonight!

Almost sunburned…but rejoicing in His Son-shine!

Shalom!

Things You Need to Know

Check In – All bidders must check in at the registration table to receive a bid number. Bids will not be accepted from persons without a registered bid number.

Dessert Auction – Dessert trays will be on display and available for bidding at 5:30 pm; bidding will close at 8:15 pm. Dessert trays will be delivered to the winner’s table at 8:30 pm. There are a limited number of dessert trays available.

Silent Auction – Bidding will begin at 5:30 pm. Write your bid number and amount of your bid on the “Bid Sheet” accompanying each item. All items have a minimum opening bid as noted on the Bid Sheet. Each bid increase must be for at least the amount indicated on the Bid Sheet. At the closing of each table, the winning bid number will be left at the table with the item. You may pick your items up after check out payment. In the case of gift certificates and smaller valuable items, you should pick up your items in the library after check out payment.

Live Auction – The Live Auction will begin at 8:45 pm and will continue until all items have been successfully auctioned. The Live Auction items will be auctioned in the order in which they appear in the program. To enter a bid, the bidder must raise his/her hand or booklet high to attract the attention of the auctioneer and to be acknowledged. Each bid legally obligates the bidder to pay his/her price in full at the end of the evening if his/her bid is deemed the high bid at the fall of the auctioneer’s hammer. Items with multiple buyers must be split prior to checkout. Be sure to indicate to data entry the bidding numbers and designated portion of the winning bid. This will help ensure efficient check out and accurate acknowledgements. The auction is fast paced; bids must be made quickly! All live auction packages are valid through March 31, 2015 unless otherwise specified.

Payment – Cashiers will be available in the school computer room starting at 10:00 pm. Silent and Live Auction items may be paid for with cash, check or credit card (Visa or MC). Paying by
check or cash reduces our costs, so please consider this option. All items must be paid in full by 11:00 pm and picked up by the close of the evening.

**Deductibility** – In accordance with the Internal Revenue Service and IRS regulations, a deduction for charitable contributions is limited to the excess of money contributed over the value of goods and services received. The estimated value of goods and services received is indicated by the fair market value on your receipt.

**Round Up** – At Check Out, you will be given the opportunity to “Round Up” your purchases. For example, if your total is $247.50, why not make it an even $250? Or round $267 up to $300! Every penny counts!

**Last Chance Sale** – Any items from the Silent Auction that do not sell during the allotted bid time will be available for sale on the Last Chance table. A price will be indicated on the item. This is not a bidding situation. You can pick up as many items as you choose and take them with you to Check Out. At Check Out your newly acquired bargains will be added to your total for the evening. The Last Chance table will be located as you exit the Community Center toward Check Out. Don’t miss this opportunity to snatch up some last minutes goodies!

**Employer Matching** – Don’t forget to check with your employer to see if they offer a matching fund program. Many companies will match your donations—we are a 501(c)(3) organization. If you need a receipt or a form completed to submit to your employer, contact: Mary Losik at mlosik@gsshawnee.org or 913-563-5311.

**Please Note** – Consult the complete auction program for details regarding date restrictions and other limitations on each item’s conditions of use. If you win a bid and cannot abide by those restrictions, it will be the buyer’s responsibility to find a substitute or forfeit the award. All sales are final. No exchanges or refunds.

**Good Shepherd Shark Race**

Three “sharks” will race to complete a series of tasks around Kansas City. They will leave Lollapalooza, run around the town, and come back. The first shark across the finish line – wins. You bet on which shark you think will win the race. If your shark wins, you are entered in a drawing with everyone else who bet on the shark for half the pot. But wait – there is one more surprise twist awaiting you. So even if your shark lost – you can still win. Chances are $20 each.
Fund a Need

Fund a Need is an integral part of Lollapalooza. It is how we come together as a community to add our support to what is important to us in our church and school. This year Fund a Need strongly recognizes our mission to continue excellent education for our students, repair external appearances due to the harsh winter, and reward our dedicated teachers and staff.

Excel
To provide for continued distinction as an award winning School of Excellence, a second Resource Center is needed to enhance student learning. The salary for a part-time teacher for the coming year and the resources for this new Center is included for the first $20,000 we raise.

Replace
Have you noticed our crumbling sidewalks and curbs when parking or walking into church? Our cold, cold winter has really taken its toll. They need immediate attention. The analysis of our Facilities Council tells us that replacing the damaged curbs and sidewalks is our only practical option. In addition, we need funds to take care of our lawns in hot weather. You think your home’s water bill is bad during the summer; you ought to see ours during a hot spell. $25,000 will guarantee an improved appearance.

Enhance
Our teachers in enhanced learning and support services need state of the art computers. Each year, we need to enhance the technology used in teaching our kids. We need 9 new computers: 2 for the learning centers and 1 each in Physical Education, Music, Art, Computer Lab, Nurse, Counselor and Spanish. Including software licensing and set up fees, this will average about $1,600 a computer or $15,000.

Reward
There is a real need to recognize and reward a most important segment of our community: our teachers and staff. We need to reward them for their experience, dedication, commitment and compassion that make Good Shepherd truly outstanding. All funds raised above $60,000 will be shared among them.

Please let your generosity reflect the very best of us.
